However, NJ FamilyCare can use other sources, such as pay stubs, to verify information. Income eligibility for children is higher than income eligibility for adults. (See chart)

What Does it Cost?
For many people, NJ FamilyCare will cost nothing. For higher income families with children there is a sliding scale for copayments.

Pregnant women who are lawfully present can qualify, regardless of the date that they entered the U.S. In general, immigrant adults must have Legal Permanent Resident status in the U.S. for at least five years in order to qualify for NJ FamilyCare. Some immigrant adults can qualify if they are lawfully present, regardless of when they entered the U.S. Examples are refugees and asylees, and there are others.
